Tap fee includes cost of a 3/4 inch meter, meter pit and lid, meter yoke with valve, labor, incidental materials and equipment related to meter installation. The tap fee for a 1 inch meter is \$950. The tap fee for a 2 inch meter is \$1200 plus 20% of any extra costs as overhead. Any meter installation requiring rock removal will incur an additional charge of \$175 per cubic yard.

* The minimum monthly charge for a 2 inch meter is \$500 (based on 0 to 53,620 gallons).

Losses due to act of nature: If the member has had no "outrageous" bills for the past 2 years of service, he/she will pay the average bill for the 3 months prior to the leak occurrence. In addition, the member will pay EMWC's cost of the additional water used, to which a 20% surcharge will be added. A request for such an adjustment must be submitted by the member within 60 days of the occurrence of the loss.

Loss by way of negligence: There will be no reduction for water losses due to negligence by the member. Payment is due immediately.

Questionable act of nature or negligence: Board shall make the decision.
