Collection & Delinquent Payment Charges

All billings for water service not paid within seventeen (17) days after the due date shown on the monthly billing shall be subject to a delinquent charge of ten (10%) of the total bill due and payable. All costs incurred to collect unpaid water service shall be added to the delinquent charges.

Application	\$25.00
Membership	\$100.00
Tap Fee	\$650.00

Tap fee includes cost of 3/4 inch meter, meter pit and lid, meter yoke with valve, labor, incidental materials and equipment related to meter installation.

The cost of installation of larger sized meters shall be based on the extra cost for larger meters and materials, plus (20%) of the extra costs as overhead.

Losses due to act of nature: If the member has had no "outrageous" bills for the past 2 years of service, he/she will pay the average bill for the 3 months prior to the leak occurrence. In addition, the member will pay EMWC's cost of the additional water used, to which a 20% surcharge will be added. A request for such an adjustment must be submitted by the member within 60 days of the occurrence of the loss.

Loss by way of negligence: There will be no reduction for water losses due to negligence by the member. Payment is due immediately.

Questionable act of nature or negligence: Board shall make the decision.
